Description

Discover an exclusive residential project located in the center of Capdepera, a charming Mallorcan village in the northeast of the island that has preserved its traditions and relaxed atmosphere. A place where time seems to stand still, yet offering all the comforts of modern living. Just minutes away from the most beautiful beaches —Son Moll and Cala Agulla— this development offers the perfect combination of Mediterranean elegance, modern comfort, and natural surroundings. The apartments feature two double bedrooms and two full bathrooms, built with top-quality materials. Some homes enjoy spectacular views of the sea, Mallorca's east coast, and the majestic Capdepera Castle, built in the 14th century under King James II. Imagine enjoying breathtaking views from your own home. The kitchen is fully furnished and equipped with Siemens appliances (or similar): oven, induction hob, extractor hood, integrated fridge, and dishwasher. The bathrooms feature Kyrya wooden wall-mounted furniture, walk-in showers, and Tres built-in faucets. All rooms are finished with large-format porcelain tiles by Saloni, and terraces feature the same design in a non-slip version. The communal areas are designed for relaxation and well-being, featuring:???? Swimming pool???? Mediterranean gardens???? Outdoor lounge areas. Each residence includes one or two underground parking spaces.???? Estimated completion: November 2027. A unique setting where Mallorcan tradition meets contemporary design. Your new home in Capdepera awaits. Contact us if you want more information!
