Description

This rustic finca in Sa Pobla (Pollença road) is a unique investment opportunity. The plot has a large plot of 83.550 square meters and is located on rustic land. On it, there is an approved license project for the construction of a detached house with an impressive swimming pool.~~The house that can be built on this property has an area of 1500 square meters, which will allow you to create a spacious and comfortable living space. With this large extension, you will have the possibility to design a customized layout adapted to your needs and preferences.~~In addition, the inclusion of a swimming pool in the project will provide a perfect space to relax and enjoy the warm summer days. You will be able to enjoy refreshing baths, organize family gatherings or social events in a quiet and private environment.~~This rural property in Sa Pobla presents an excellent investment due to its unique characteristics and the possibility to build a custom home in a natural and peaceful environment. The combination of a large plot, a large house and a spectacular swimming pool make this finca an ideal place to enjoy the Mediterranean lifestyle.~
