Description

This spectacular 15,380 m² plot, strategically located very close to Campos and with easy access to the road connecting to Palma, represents a unique opportunity to build your dream home in Mallorca.

The plot is completely flat, which facilitates any construction project, and features a charming Majorcan dry-stone wall that delimits part of the property, adding a touch of authenticity and tradition.

Its excellent location allows you to be just a few minutes by bicycle from the commercial area of Campos, where you will find all the necessary services, supermarkets, restaurants, and shops.

With its generous dimensions, this plot offers the possibility of building a home completely adapted to your needs and preferences, allowing you to design a custom home in a natural setting, yet with all amenities within reach.

Don't miss the opportunity to visit this plot and discover its full potential!
