Description

Located in a privileged natural setting in the Dominican Republic, these two bungalow-style villas offer the perfect combination of smart investment and quality of life. Surrounded by mountains, crystal clear rivers and an ideal year-round climate, they are perfect as an ecological retreat or as a booming tourism business.

Features of each bungalow:

Two independent plots:

Bungalow 1: 604,62 m² of land.

Bungalow 2: 655.44 m² plot of land

75 m² of construction on each

1 large bedroom

1 full bathroom

Private Jacuzzi in each unit

Fully equipped kitchen

Air conditioning

Compact design, elegant and perfectly integrated into its surroundings.

These properties are located within a gated community with 24/7 security, which guarantees tranquility and privacy. Their strategic location makes them an excellent option both for personal enjoyment and to generate income through eco-tourism, a growing trend in the area.

There is the possibility of acquiring the plots together or individually.

An investment in wellbeing. A lifestyle in the heart of nature.

* Price 260.000 \$ for each Bungalow, so the amount in euros may vary depending on the exchange rate at the time of the transaction for the dollar.
