Description

Discover an exclusive new development of 16 luxury villas in Port de Sant Miquel, Ibiza, designed for those seeking a haven of privacy, comfort, and an authentic connection with nature.~~Located in the heart of northern Ibiza, one of the most tranquil and authentic areas of the island, these elegant three-bedroom single-family homes represent the perfect balance between modern luxury and sustainability. Just a few steps from the Cala San Miguel beach and with excellent connections, they offer an unparalleled Mediterranean lifestyle. The architecture masterfully integrates into the landscape, with lime mortar facades in earthy tones that evoke the essence of Ibiza and a design that seamlessly connects indoor and outdoor spaces.~~Each villa sits on a private plot with a designer garden and a spectacular infinity pool with a saline purification system. They also feature a private solarium with high-end porcelain finishes, perfect for enjoying the sun in complete privacy. Inside, quality takes center stage, with Porcelanosa porcelain floors, floor-to-ceiling lacquered doors, and aluminum exterior carpentry with a thermal break for superior insulation.~~The high-end kitchen is fully equipped with designer furniture, a Silestone countertop, and Siemens or Bosch appliances. The modern and functional bathrooms feature Duravit sanitary ware and designer faucets. Maximum comfort is guaranteed by an efficient aerothermal climate control system and low-consumption LED lighting.~~Enjoy the peace of the north of the island, its secret coves, and its bohemian atmosphere without sacrificing luxury. This is a unique opportunity to live or invest in the natural heart of Ibiza.~~Contact us for more information and discover your hidden paradise.~
