Description

This charming village house is located in the pretty artist village of Artà, situated in a quiet yet central street, only a few steps away from the pedestrian zone and its nice shops and cafés. The house, which is currently being renovated, stands out for its traditional character, preserving original elements of the house such as natural stone walls and wooden beamed ceilings. The elegantly designed house is distributed on the ground floor, with a living room, a dining room connected to the kitchen and a complete bathroom. From the dining room there is access to the patio, which can also be used as a parking space for one car. On the first floor there are three bedrooms, one of them with bathroom en suite and terrace and the other two share a bathroom. On the roof terrace there is a nice terrace with an outdoor kitchen overlooking Artà. This property represents a very interesting opportunity, as it is in the process of construction, it can be finished and personalised according to the tastes and needs of the buyer.
