## Description

Large, rustic plot, 41,000 m<sup>2</sup>, in Sa Pobla, with wonderful panoramic views of the Serra de Tramuntana. The plot has a completely paved access, it is connected to the electricity grid, has its own well and is currently not fenced. It can be built with a detached house of up to 300 m<sup>2</sup> and a swimming pool of up to 35 m<sup>2</sup>. This plot, with views of the Tramuntana mountains, is located in the municipality of Sa Pobla, in the North of Mallorca, known for its excellent agriculture and passionate traditions. Thanks to its close proximity to the motorway, the property has excellent access to the South of the island. The turquoise sandy beaches of Puerto Alcudia, Playa de Muro and Can Picafort are only a 15-minute drive away. There comes a moment in our lives when country life calls to us. The red, fertile earth around us. The wide open spaces to which your gaze automatically strays. The time for ourselves. Building your own finca is a dream you finally want to come true. A house that was designed by you and for you and that simply suits you because it allows you to live the life you long for. When that moment comes where you want to slow down your pace, where you want to switch off in your free time and indulge in your hobbies, you should take a look at this property; in the middle of nowhere, yet close to everything.
