## Description

Land near Santanyí. The access is by a quiet asphalted road and it is easy to go by bike (the main square is about 1500 meters far away). There is a project for a house with 232 m<sup>2</sup> but it can be extended up to 515 m<sup>2</sup>. The property already has electricity connection and water supply. The plan is ready for a two floors traditional majorcan country house with 4 bedrooms, swimming pool and terraces. All the plot is enclosed with traditional stone wall.~
